Filed: 02/28/02

Title: ELECTRICAL CONNECOTR FOR A FLAT CABLE

## REPLY TO NON-FINAL OFFICE ACTION

Commissioner of Patents

Submitted: 06/18/03

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Action of 03/18/03, please amend the above-identified application as follows: In the Claims:

--1. Amended) An electrical connector for a flat cable, comprising:

a housing having an open mouth;

a plurality of terminals which are arranged and maintained in said housing and have contact sections at positions facing said open mouth of said housing;

a pressure member rotatable about a rotational axis and between an open position where said flat cable is inserted from said open mouth into an insertion space and arranged on said contact sections and a closed position where said flat cable is pressed towards said contact sections, said rotational axis being opposed to said contact sections with respect to said flat cable;
